DENIM DOLLARS COVID-19 HELP

HURRY! Don't Miss This Opportunity!!!

Deadline is Monday, June 1, 2020...

DENIM DOLLARS COVID-19 HELP

Denim Dollars is a program sponsored by the Dunkerton Education Association. Dunkerton School employees donate to the Denim Dollars fund, and, in return, those employees wear jeans on Fridays. The purpose of this program is to give back to the community.

As everyone navigates the “new normal” of staying at home and social distancing, others are struggling to meet basic needs due to changes in employment. Denim Dollars would like to help with this through a one-time-only \$100 family donation. Your family may need financial support with a water/sewer bill, electricity/heating bill, medicine, or groceries. Items not supported would include purchases of wine/spirits, smoking devices, bottle deposits, or lottery tickets.

To apply for the family donation, print the application form from the 2nd page of the Announcements. Mail the completed form **with a self-addressed, stamped envelope** to the address at the bottom of the form. Include a copy of the bill / receipt dated after **March 15** that you would like the donation to be used to cover. Only one donation per household address. Requests without the completed form, stamped envelope, and receipt will not be considered. ***Donations will be available until June 1 or until \$3,000 has been disbursed.*** The students in the family must attend Dunkerton Community School.

Drivers Education Classes

Plans for Summer 2020 Drivers Education classes are being made at this time. In order for students to qualify for drivers education they **must be at least 14 years of age and have a valid instructional permit by June 5th**. If there is a need to limit enrollment, the in-district students will have priority. The class list will start with the oldest students first. All students enrolled in Dunkerton Community Schools **or living within the district boundary lines attending private or parochial schools or home schooled are considered in-district.**

The parent and student meeting will be held on June 7, 2020 at 6:00 p.m. The class start date for the **Summer session** will be on June 10, 2020 (same night). Students need to bring a pencil and something to write on. **Maximum enrollment for Summer session is 30.**

Deadline for Summer session is June 5, 2020. The driver education fees are as follows: out-of-district students \$350.00; in-district students \$300.00 (for in-district students this fee may be reduced by completing a waiver of fees form, if your family has not already completed one this school year). All fee waiver requests and fees must be included when the registration form is returned. All fees are non-refundable without board approval. Checks must be made payable to Dunkerton Community Schools and will be deposited upon receipt. Complete and return the following form to the **highschool office** along with your registration check, cash and waiver sheet. **There is an additional \$25 late fee if you are past the session deadline.**
