General information

- Snow must be removed before the start of the school day with students. If there is a delay or cancellation, then snow may be removed from the time when students arrive. On a normal school day, snow should be removed by 7 AM. On a late start, snow should be removed by 9AM.
- Snow should be removed daily, even if school is canceled two days in a row.
- Per request of district, salt will be spread on all lots excluding the gravel lot (West Lot #2)
- Snow removal includes all the areas around the school that cars park, including but not limited to the following
 - West Lot #1 the front by elementary and high schools
 - West Lot #2 Student and transportation lots on west side of Canfield
 - North lot (front of daycare)
 - Southeast lot Located behind high school, by the high school gym and fitness center
 - The south driveway.
 - Outdoor basketball court
